Preference Date System

Horses which do not have a current Coggins on file will not receive a Preference Date.

1. Preference dates will not supersede conditions of a race.
2. All horses registered prior to 3:00 p.m. Wednesday, August 14, 2024 will receive a '0', which is the lowest possible date. A horse keeps his '0' until he runs or scratches.
3. All horses registering between 3:00 p.m. Wednesday, August 14, 2024 and Thursday, August 15, 2024 will receive a preference date of E-1. Horses registering after Thursday, August 15, 2024 will receive an E date corresponding to the race day that the papers are submitted to the Racing Office. Foal papers which arrive on a dark day will be assigned the next racing calendar date.
4. An R DATE will be obtained when a horse draws a post position. Each time a horse draws a post position, the date changes to correspond to the date of the race unless the papers are not on file in the Racing Secretary's Office in which case the horse will not receive any date. In case where dates are the same, E dates will have a preference over R dates.
5. Preference dates are good for any type race or distance with the exception of stakes or stakes trials. Stakes or stakes trials are not considered in the preference date system.
6. A zero has first preference and an entry date takes preference over a running date of the same day. A running date takes preference over an "S" date of the same day.
7. Horses that run will receive a running date corresponding to the date they race and lose all dates previously held. This excludes stakes and stakes trials.
8. Any horse which scratches off the program will receive an "S" date for the day they scratch.
9. Horses entered and taken out of a race, etc., will use the date they would have gotten had they raced.
10. All horses placed on the Stewards, Veterinarian or Starter list will be posted on a bulletin board. They will not be permitted to enter until they have been approved to start. A horse which ran before going on a list will retain its R date. Horses which are scratched will be given an R date the day the horse comes off the list.
11. Horses which have established a date at the current meeting will lose that preference date should their papers be withdrawn from the Racing Office to run elsewhere. Horses must re-enter to establish a preference date at the meeting. Should a horse's papers be withdrawn from the Racing Office for just cause (i.e. tattoo, corrections, change of ownership, clarification, etc.), the Racing Secretary may determine the status of the preference date established.
12. Maidens entering in winners races shall not receive a preference date. All races are winners preferred.
13. All owners, trainers and agents making entries are encouraged to sign entry blanks and check the preference date shown on them for accuracy. The Stewards will not acknowledge any claims not complying with this regulation.
14. In rules 3 and 10, if a horse is registered or comes off a list on a non-racing day, the next racing day will be used.
15. In all matters of discretion, the Stewards' ruling is final.

Claiming Rules

All claims must be sealed, time stamped and deposited in the claim box located in the Racing Office at least 15 minutes prior to post time or the time fixed for the race to begin and no later. The claiming price of each horse in a claiming race shall be the entered claiming price, plus tax.

A claimed horse shall not run for 20 days after being claimed in a race in which the determining eligibility price is less than 25 percent more than the price at which the horse was claimed. For a period of 10 days thereafter, a horse is eligible to run back for the same claiming price or higher. The day claimed shall not count, but the following calendar day shall be the first day and the horse shall be entitled to enter whenever necessary so the horse may start on the thirty-first day following the claim for any claiming price. This provision shall not apply to allowance/optional claiming or starter allowance/optional claiming races in which a horse is entered for the allowance condition, starter handicaps in which the weight to be carried is assigned by the handicapper, starter stakes and starter allowance races. This provision shall apply to allowance/optional claiming and starter allowance/optional claiming races, if a horse is entered for a claiming price.

However, the successful claimant may request on the claim blank at the time he makes his claim that the horse be tested for the presence of equine infectious anemia via a Coggins test. Should this test prove positive, it shall be cause for a horse to be returned to his previous owner and barred from racing in the State of Louisiana. The expense of the Coggins test and the maintenance of the horse during the period requested for the test shall be absorbed by the successful claimant. If such a test is requested, the horse will be sent to the retention barn of the Louisiana State Racing Commission where the State Veterinarian will draw a blood sample, which sample shall be sent to a laboratory approved by the Louisiana Livestock Sanitary Board for the conduct of such test.

If a horse is claimed, it shall not be sold or transferred to anyone wholly or in part, except in a selling or claiming race, for a period of 30 days from the date of claim, nor shall it, unless reclaimed, remain in the same stable or under the control of management of its former owner or trainer for a like period, nor shall it enter in any other state until after the close of entries of the meeting at which it was claimed, unless special permission is obtained from the commission. However, a horse claimed at a track in Louisiana must remain at the track where it was claimed for a period of 60 calendar days or until after the close of entries of the meeting at which it was claimed. Where a race meeting is authorized and conducted as a split-meeting, a horse claimed in such a race meeting must remain at the track where it was claimed for a period of 60 calendar days or until after the close of entries of that segment of the split meeting at which it was claimed. The following calendar day shall be the first day and the horse shall be entitled to enter at another track in the state whenever necessary so the horse may start on the sixty-first day following the claim. No trainer may claim more than two (2) horses in a race.

When a trainer is training for more than one owner, only two (2) claims from that stable will be allowed for any one race. Only one claim from owners having the same trainer for any one horse.

Voided and Voidable Claims

A. A claim shall be voided if a horse is a starter as determined by the regulatory authority, and the horse:

1. dies on the racetrack; or

2. suffers an injury which requires the euthanasia of the horse as determined by the official veterinarian while the horse is on the racetrack.

B. A claim is voidable at the discretion of the new owner for a period of one hour after the race is made official, for any horse:

1. that is vanned off the track at the direction of the official veterinarian; or

2. that is observed by the official veterinarian to be lame or unsound while on the racetrack for that race; or

3. that is observed by the official veterinarian to have bled through its nostrils while on the track.

C. The successful claimant may request on the claim blank at the time he makes his claim that the horse be tested for the presence of equine infectious anemia via a Coggins test and/or erythropoietin and/or darbepoietin.

1. Should the test for equine infectious anemia prove positive, it shall be cause for a horse to be returned to his previous owner and barred from racing in the state of Louisiana.

2. Should the test for recombinant erythropoietin and/or darbepoietin prove positive, it shall be cause for a horse to be returned to his previous owner and barred from racing in the state of Louisiana until such time as the horse tests negative.

3. Additionally, if such erythropoietin and/or darbepoietin positive result is found, the claimant, claimant's trainer or claimant's authorized agent shall have 48 hours in which to request the claim be declared invalid, such request to be made in writing to the stewards.

4. The expense of the tests and the maintenance of the horse during the period requested for the tests shall be absorbed by the successful claimant.

5. If such tests are requested the claimed horse will be sent to the retention barn of the Louisiana State Racing Commission where the state veterinarian will draw blood samples.

a. Blood samples drawn to test for equine infectious anemia shall be sent to a laboratory approved by the Louisiana Livestock Sanitary Board for the conduct of such test.

b. Blood samples drawn to detect by immunoassay recombinant erythropoietin and/or darbepoietin shall be sent to the Louisiana State Racing Commission's state chemist.

6. Notwithstanding any inconsistent provision of the Part, a horse shall not be subject to disqualification from the race and from any share of the purse in the race, and the trainer of the horse shall not be subject to application of trainer's responsibility based upon the finding by the laboratory that erythropoietin and/or darbepoietin was present in the sample taken from that horse.

Procedure to Void a Claim

1. If the State Vet observes the horse to be unsound, after the race & before the claimed horse, leaves the racetrack (inside the rails), the State Vet will contact the Stewards, and alert them to the issue.

2. At that point the Stewards will speak to the successful claimant, to gather whether that person wants to have the claim voided immediately or will they need to invoke the "up to 1 hour" time limit.

3. Once the above is determined, if the successful claimant needs time to decide, the horse will be sent to the Test Barn. If the decision is made to immediately Void the Claim, the previous connections will retain possession of the claimed horse, before the horse leaves the paddock.

4. If the successful claimant needs time to make the decision, once the decision is made, if that decision is to Void the Claim, the horse will be returned to the previous connections, and picked up at the Test Barn.

Waiver Claim Rule

At time of entry an Owner, Trainer, or Authorized Agent may declare a horse ineligible to be claimed provided the horse has been laid off and has not started in a race for a minimum of one hundred and twenty days (120) and is entered for a claiming price equal or greater than the price at which the horse last started. The day following the horse's last race will count as day one (1).

Failure to declare the horse ineligible to be claimed at time of entry may not be remedied. A horse declared ineligible to be claimed cannot consider that race for eligibility in any starter type race or optional claiming.

Eligibility Rule

No entries accepted on any horse over 1 1 years old, unless the horse has won a race in the last 12 months.

First Time Starters

First time starters are required to have two published workouts, one of which must be approved from the starting gate within 45 days of entry.

Starting Gate / Training Information

The main track will be open for training from 6:30 - 9:30 a.m. Monday through Saturday. The starting gate will be open for schooling from 7:00 - 9:00 a.m.

Paddock Schooling

Paddock schooling will be conducted on race days by appointment through the paddock judge.

Lasix Rules

Approved bleeder medication may be voluntarily administered intravenously to a horse that is entered to compete in a race, subject to compliance with the following conditions:

The trainer and/or attending veterinarian determine that it is in a horse's best interests to race with bleeder medication, and they make written request upon the Louisiana State Racing Commission veterinarian, using the prescribed form, that the horse is to be placed on the voluntary bleeder medication list, and the request is actually received by the LSRC veterinarian or his/her designee by time of entry.

Lasix must be administered at least four hours prior to the scheduled post-time for a race by a Veterinarian licensed by the LSRC.

Horses that have been approved to run on Lasix for the first time must claim First Time Lasix on the entry card when entering for next start.

Scratch Policy / Naming of Riders

Horses will be scratched off the program and that deadline will be 9:15 a.m. a.m. the day of the race. All scratches must be submitted to the Stewards only.

Scratching of an entry in overnight races: "One horse of an entry (two horses) must be scratched by First Post time the day of the race or both horses MUST START, unless excused by the Stewards due to sudden change in the condition of the track or an emergency, such as an accident or sickness." Horses excused in accordance with LAC 35:B6353 (3 Day Veterinary List) shall also be scratched from all races they may be entered in at the time of the initial scratch.

Scratches that would reduce the field below the necessary number of starters for certain exotic wagers will be permitted only by order of the Stewards. There will be also eligibles in all over-filled races.

Change Of Equipment Policy

Any change of equipment for blinkers must be approved by the starter. Change of equipment for blinkers must be declared at entry time. The use of "cheater" blinkers will not be allowed.

Shoe Policy

Toe grabs with a height greater than 4 millimeters, bends, jar caulks, stickers, and any other appliance worn on the front shoes of horses while racing or training on all racing surfaces are prohibited. The use of turn downs or bends of more than 1/4 inch will not be allowed. Before entering with bar shoes you must get permission from the stewards (Per Commission Rule). All shoes will be checked by the track farrier in the paddock. Violators will be fined or scratched.

Entry Rules

- Racing Office will open for entries at 8:00 a.m.
- Owners and trainers, when entering horses are cautioned to check carefully as to the eligibility of horses in their care and allowances claimed in races. Under the universal rules of racing an owner or trainer is responsible. All agents entering horses must have written authorization from the trainer to do so. The Racing Secretary will be glad to give horsemen any information in respect to their horses that is desired, but the final responsibilities rest with the owners and trainers.
- Fair Grounds reserves the right to divide any carded race from its condition book over any sub race on the same day. Sub races are merely listed for clarification purposes and not necessarily in order or preference to be used by the Racing Secretary. All alternate distances listed in the condition book shall be considered sub races.
- In all races, winners are preferred except where the conditions of the race state otherwise. Maidens entering in a winners race must declare at time of entry that the horse is a maiden.
- Horses not entitled to the first allowance in a race are not entitled to the second, and, if not to the second, then to any subsequent allowances.
- In all overnight handicaps and selected stakes, highest weighted horses shall have preferences, unless otherwise specified in the conditions of the race.
- Winner or non-winner of a stated sum means winner or non-winners of a single race of that value to first horse.
- "About" distances will be considered "Actual" for eligibility and weight allowances.
- Not more than one horse owned by the same person shall be drawn into any overnight race to the exclusion of a single interest; however, a coupled entry owned by different owners may be uncoupled and allowed to run as separate betting units at the discretion of the Racing Secretary.
- A winner of an Optional Claiming race entered to be claimed shall be considered a winner of a Claiming Race; if not to be claimed, an Allowance Race. In weight allowances or eligibility, the winner of a Starter Race shall be considered the winner of a Allowance Race.
- At the discretion of the Racing Secretary, races and alternate distances may be cancelled between 9:00 a.m. and 10:00 a.m.
- Entries once submitted, may be withdrawn only with the permission of the Racing Secretary.
- A horse must be tattooed and the registration papers and current negative coggins report must be on file in the Racing Secretary's office.
- Owners will be held responsible for failure to carry colors as registered with the Racing Secretary's office.
- A blinker change must be approved by the Starter and reported at time of entry.
- Jockey fees in all cases where owners have no funds to their credit must be paid to the bookkeeper or his authorized agent.
- No jockey may carry more than 7 pounds of overweight.
- Jockeys shall be named at the time of entry or at the draw.
- All trainers must have a copy of their Workman's Compensation insurance on file with the Racing Commission or Racing Secretary's office. Louisiana law requires all trainers to carry Workman's Compensation insurance covering all employees. This includes all individuals employed by owners and trainers in the training and racing of horses.

Official Workouts

Any horse which has not started in the last six months must have an OK card from a veterinarian.

Any horse which has not started in the last 60 days must have at least one published workout prior to starting.

Horses that have never started around the turn, or who have not had a start around the turn in the last six months, must have at least one official timed work of 660 yards (3 furlongs) or further.

All horses on the vet list for lameness by the LSRC veterinarian are required to have a veterinary-approved workout prior to entry, and must make arrangements with the LSRC veterinarian to approve works. Clockers must be advised that a vet-approved work is needed.

Trainers shall report to officials the names of, and the distance to be worked on all horses entering the track for workouts. Failure to comply with this rule shall necessitate a fine.

Department of Environmental Quality (DEQ) Nutrient Management Plan

The Louisiana Department of Environmental Quality requires Fair Grounds' stable area to maintain a Concentrated Animal Feeding Operation (CAFO) permit. This permit requires Applicant and his/her employees to do the following: (1) place all used shavings and/or straw in designated manure bins in order to keep them from running into the storm drain water system; (2) attach all washers to sanitary hook-ups and prevent all washers and ice machines from running into the storm water drain; (3) otherwise comply with Fair Grounds' best management practices as required by the permit. Applicant acknowledges and agrees that the Fair Grounds will use Video surveillance to monitor Applicant's and Applicant's employees' compliance with these requirements and the stable area will be subject to inspections by Fair Grounds' personnel, the Louisiana Department of Environmental Quality, the New Orleans Sewage and Water Board and the Environmental Protection Agency. An information and training package regarding the rules and regulations will be presented to each trainer at time of arrival. Applicant further acknowledges and agrees that for Applicant's and his/her employees' failure to comply with these requirements, the first offense is \$250; the second offense is \$500; the third offense will result in revocation of this Stall Application and Applicant's prompt removal of all horses from Fair Grounds' stable area.

To maintain acceptable levels it is imperative that the following rules be taught to your stable workers and that they see this is important to you that they remain compliant.

- All dumpsters must have lids and all lids must be closed when not in use.
- Dumpsters can not be overloaded to prohibit lid from closing completely.
- Hay, manure, shavings and bedding are prohibited from being washed down storm drains. They must be swept up and placed into dumpsters.
- All storm drains must not be covered or blocked.
- Ice machines and washers must be maintained outside of barns and runoff path to drain must be clear of manure, hay, shavings and bedding.
- All hoses must be equipped with nozzle. At the Fair Grounds, hoses without nozzles will be confiscated.

Bi-lingual signage will be posted throughout the backside.

Members of FGNO Security team, FGNO staff, Louisiana State Police Racing Detail will be identifying any and all violations observed. FGNO Security team will investigate and handle all documentation of all observed or reported violations. The warnings, steward citations, steward fines or steward evictions will be enforced and documented under the trainer's name. Each trainer will receive a copy of the DEQ Violation Report which will identify FGNO Security personnel completing the report, photographs, the date, time, weather condition, violation, action taken and the stable worker involved. The consequences of violations will be progressive becoming more severe based on frequency.

Individuals will be subject to monetary fines if found to be blatantly disregarding these rules.

Once their racing or breeding career is over, where do they go? They have given their whole lives to the sport you love. Help ensure their care in retirement.

We need your support and hope you will join our group to help rescue horses from being slaughtered or abused.

Fair Grounds Race Course & Slots is a proud partner of the Louisiana Horse Rescue Association, working together to ensure the long-term care of horses that have raced in New Orleans. This unique partnership, the first of its kind in Louisiana, permits timely coordination between horsemen, the track and LHRA when an owner or trainer requests assistance finding a new home for a horse that can no longer compete at sanctioned racetracks.
